Dear FVA Student/Parent,

Your student will soon be participating in district required benchmark assessments. All students in our district are required to take the NWEA tests. These tests will cover subjects such as math, reading, and science. Testing will take place in the Auto Tech Building, we ask that when students arrive they report to the FVA office with their charged chromebook.

### **Testing Schedule:**

#### **Grades 9 and 10**

Math and Reading: January 4, 2024 at 9am

#### **Grades 11**

Math and Reading: January 9, 2024 at 9 am

#### **Grade 12**

Math and Reading: January 10, 2024 at 11 am

#### **Grade 9-11**

Science: January 11, 2024 at 11 am

#### **Make Up Dates**

##### **All tests**

January 16, 19 or 22 at 9am

January 24 at 11am

NWEA Testing is required by Fitzgerald Public Schools. It is important that students arrive on time. **Please ensure your students bring their district issued chromebooks with them on the day of testing.** Students may leave once their test is completed.

*\*\*\*If you cannot attend your scheduled testing date, please choose one of the make-up dates to attend.*

Please feel free to contact me if you have any further questions.

Sincerely,

Sharron Yoshonis

Program Coordinator, Fitzgerald Virtual Academy.
